

Marco Antonio Murillo Gonzalez.

A stylized, handwritten signature in blue ink. The signature is composed of several fluid, overlapping strokes. It begins with a long, sweeping horizontal line that curves upwards and then downwards, forming a large loop. A second, more vertical stroke crosses the first, and a third, shorter stroke is positioned to the right, also overlapping the others. The overall impression is one of a quick, confident, and somewhat abstract representation of the person's name.
